

Henrietta Mitchell

PRODUCT MANAGER, ENTERPRISE DATA

+123-456-7890
hello@reallygreatsite.com
@reallygreatsite

As a skilled Product Manager with seven years of work experience in the technology field, focusing on business data, I have successfully started and grown products for business-to-business and business-to-consumer services. My skills include working with data platforms, tools, and systems. I am good at guiding different teams to create important products that help the business grow and improve the quality and management of data.

PROFESSIONAL EXPERIENCE

Senior Product Manager, Data Solutions

Ingoude Company, 123 Anywhere St., Any City

November 2021 - Present

- Effectively established and enforced technology solutions, resulting in a 30% increase in metadata governance efficiency, a 25% improvement in taxonomy management accuracy, and a 100% compliance rate with data policies over a 12-month period.
- Defined and operationalised technology solutions focusing on taxonomy management and data policy enforcement.
- Worked across teams to turn plans into actionable and effective product roadmaps, ensuring alignment of goals.
- Managed the complete product lifecycle, consistently delivering projects on time and within budget.

Product Manager, Enterprise Applications

Fradel and Spies, 123 Anywhere St., Any City

October 2018 - November 2021

- Led the initiative to design and launch a comprehensive data management platform, which significantly streamlined and optimised data handling processes. This strategic development led to a 40% increase in efficiency for various data processing tasks, greatly enhancing overall productivity and data workflow management in the organisation.
- Led market analysis to identify new opportunities, leading to two new product features adopted by 70% of clients.
- Coordinated with cross-functional teams to ensure alignment of product vision with business objectives.

Associate Product Manager

Keithston and Partners, 123 Anywhere St., Any City

August 2017 - September 2018

- Managed product lifecycles for data-centric applications, resulting to a 20% improvement in product performance.
- Played a key role in market research and competitive analysis, aiding strategic decisions for product enhancements.

Intern, Content and Business Products Team
